

Connection (Mission Week) - All Nations together with other churches to share the Good News.

# The Summer Highlights.

## Connection Carvoeiro!

More than 20 Americans from Jefferson Baptist Church in Louisiana joined with us as we built relationships in our community and shared the Good News about Jesus. With teams in Portimão, Lagoa and Carvoeiro, there were beach activities, boat trips, training workshops and parties! It was great to work with local councils and establish links for the future.

## Beach Mission

One week in July, 15 Irish volunteers joined with local churches to share Biblical truths on the beach at Praia da Rocha through music, stories and games.

## The Space

The Space has grown! This year, we have partnered with Awana in expanding The Space to include a new "Children & Family Centre". Adding a kitchen and moving the bar has helped to provide a great facility for our church and our mission! Thanks to all who have given their time, money & encouragement to support this work.

## Contagious Attitudes

Through the Summer, we've focused on Sunday mornings on Paul's letter to the Philippians and what it teaches us about attitudes that give glory to God and that make us more effective in our lives...

### Rejoicing & Thanksgiving

Even in difficult times, we can cultivate an attitude of joy and gratitude towards God.

### Humility & Service

Following Jesus example we are encouraged to serve God and serve others in our families, jobs, schools & communities.

### Partnership & Honour

Being together as a family, as co-workers, as fellow-soldiers and as messengers of hope.

### Hope & Confidence

Confident that God will complete what He has begun in us! Confident that we can do all things through Him who gives us strength!

All Nations Band worshipping on the first day of the mission week - Carvoeiro's Beach.
